

JURA ENA8

*jura*

## Sunset Red

Red earth, a city held in the valley of rolling hills. The clay roof tiles blaze in the warm light of the evening sun. La dolce vita, joy and pleasure. A sense of magic and mirth takes hold until deep into the night. This is the world of sundown and the colour world of the ENA 8 in Sunset Red.

## Metropolitan Black

Winding arterial roads pulsate as they cut their way between apartment blocks. The hustle and bustle of city life. Cafés, boutiques. Countless neon signs illuminating the night sky. The artificial glow of office lighting. Light and shade. Light and dark. This is the world of international metropolises and the colour world of the ENA 8 in Metropolitan Black.

# Nordic White

The vast expanse of land. Mountains and hills. Snow envelops everything in a soft, white blanket, making colours disappear. The trace of a shadow calls to mind a topography. Far away, perhaps, the expanse of the sea. This is the world of complete purity, clarity and texture and the colour of the ENA 8 in Nordic White.

## small

Only 27.1 cm wide, 32.3 cm high and 44.5 cm deep – this one-cup machine will comfortably fit anywhere.

## stunning

A particular highlight of the design is the round water tank. Its pattern and cylindrical shape is inspired by crystal carafes.

## simple

The superlative new one-cup machine: small, simple, stunning – a must for all coffee lovers and connoisseurs.

## smart

RFID technology detects whether the new CLARIS Smart mini or CLARIS Smart is being used and adapts the settings.

## Technical overview

### JURA standard features

Pulse Extraction Process	(P.E.P.®)
Variable VC compact brewing unit	6 - 10 g
Intelligent Pre-Brew Aroma System	(I.P.B.A.S.®)
Grinder	Multi Level G3
High-performance pump	1 x 15 bar
Thermoblock heating system	1
Fluid system	1
JURA fine foam technology	■
Milk System	HPI
Maintenance status display	■
Integrated rinsing, cleaning and descaling	■
JURA hygiene: TÜV - certified	■
CLARIS filter cartridge (smart and smart mini)	CLARIS smart
Energy Save Mode	(E.S.M.®)
Zero-Energy Switch or power switch	■

### Specific benefits

One-Touch function	10
Intelligent water system	(I.W.S.®)
Compatible with J.O.E.®	■
Wireless ready	■
Recognition for second, ground coffee	■
Monitored drip tray	■

### Settings and programming options

Programmable and adjustable amount of water	■
Programmable and adjustable coffee strength	10 Levels
Programmable brewing temperature	3 Levels
Programmable temperature of hot water	3 Levels
Programmable switch-off time	■

### In figures

Height-adjustable coffee spout	55 – 138 mm
Height-adjustable hot water spout	55 – 138 mm
Water tank capacity	1.10 L
Bean container with aroma preservation cover	125 g
Coffee grounds container (servings)	approx. 10
Voltage	230 V AC 50/60 Hz
Power	1,450 W
Current	10 A
Stand-by power	0 W
Weight	9.4 kg
Dimensions (W x H x D)	27.1 x 32.3 x 44.5 cm
Color / Article Number	Sunset Red / 15255
	Black / 15253

### The benefits at a glance

- Measures just 27.1 x 32.3 x 44.5 cm
- Stunning all-round design and cylindrical Water Tank
- Easy to use via TFT display and operating panels
- 10 specialties at the touch of a button – freshly ground, not capsuled
